JH Group

Mission & Vision

Mission

Founded by Mr. Shun Liang Tang. In JH Group, we provide a fast area of services -

Professional in Water Treatment & Development | Environmental Strategy | Water Treatment & Construction Materials | Soil Remediation | Sludge Treatment | Architecture & Engineering Consultancy | Renewable Energy | Composite Materials

Our innovative engineering and design, combined with our R&D team provides different range of services to comply the most highest quality demand from our clients.

By unlocking hidden value in our clients' operations, we reuse resources to reduce their energy, waste and environmental footprint, to achieve economic and ecological sustainability.

Vision

JH Group is poised to become the leading water solutions and servicing provider serving the middle-large market segment. Through studying each project individually, and having an open mind, we provide to our client not only great water treatment solutions but also transform their way of perceiving water.

"We work with nature, We work for nature." -

- Chairman & Founder, Shun Liang Tang

JH Group

Jiang Su Jiang Hua Water Treatment & Equipment Co. Ltd

Focus: Water Systems, Wastewater treatment Systems, Aeration Equipments, Filtration Equipments, Dosing Equipments, deionization and anaerobic waste systems

Founded: 1992

Locations: Headquarters: Yi Xing, China.

Factories: 3 Manufacture factories and 1 new under construction
Total indoor: 56,000 m² fabrication & storage
Total outdoor: 7,300 m² outdoor fabrication & storage

Activity: 85%-90% China, 10%-15% international

Employees: ~106

Awards: Holding 6 patents, 5 pending patents, 3 patents in preparation prior submission & multiple industry awards

- ▶ Mobile Units (Fresh Water)
- ▶ Containerised Demineralisation
- ▶ Containerised Seawater Desalination
- ▶ Industrial WTP
- ▶ Seawater Desalination
- ▶ Brackish Desalination
- ▶ Effluent Reuse
- ▶ Petrol & Chemical Plant Discharge
- ▶ Municipal waste water discharge
- ▶ Municipal water
- ▶ Petrol & Chemical Plant Feed water pre-treatment

CONFIDENTIAL

JH Group

Jiang Su Jiang Hua Environmental Strategy Co. Ltd

Focus: Water treatment plant D&B.
Founded: 2007
Locations: China
Headquarters: Yi Xing, China.
Activity: Over 300 sites constructed in China
Employees: ~30

- Architecture Design
- Construction Engineering
- Building Construction
